

**In this extraordinary and practical book, Elio M Rivera unifies the four gospels in chronological order and shares the teachings about the Works and the life of Jesus Christ.**

**Besides being an extraordinary fountain of Biblical knowledge, this book is one of the kind. Through the telling of the story, the reader is introduced to the heart and mind of the Lord Jesus Christ in a very intimate and personal way. This book helps us to understand in a simple but powerful way truths about the life of Christ that could not been seen if the gospels were individually studied. At the same time, “Jesus Christ, More Than a Man” gives us answers to many questions that had been in the hearts of the believers as well as unbelievers, like,**

**Why men sinned if we are suppose to have a perfect God?**

**Why did the devil rebel against God?**

**What was in the life of Christ that divided history?**

**Why so many of the followers of Jesus were willing to lose properties, social status, and even their lives for the love of Him?**

**Would you like to know what Jesus was felling and thinking while he was dying on the cross?**

**Elio M Rivera, M.D. , and his family have worked as missionaries in Mexico for over fourteen years and are**

currently working in Coahuila, Mexico. They are cofounders of the church “Comunidad Cristiana Mana” and “ Manantial de Amor, (Spring of love) , an organization dedicated to giving orphans a home and education.
